

1:1 COUNSELLING FOR CHILDREN & YOUTH ANTICIPATING A LOSS

IN-PERSON OR VIRTUAL

Julia offers 1:1 COUNSELLING
for children and youth
anticipating the death of a
close person in their life.

Support is tailored to
individual needs and may
include diagnosis education,
emotional expression and
coping support, legacy work
and memory making, end of
life preparation, and more.

To register or for information, contact Julia:

j.zinn@hopehousehospice.com

or 905-727-6815 x228

If you are new to Hope House, contact Intake:

programs@hopehousehospice.com

or 905-727-6815 x223

All programs & services at Hope House are offered at no charge.

Donations are always appreciated

Our professional staff and dedicated volunteers provide innovative, personalized compassionate support—at no cost—to people diagnosed with a life-threatening illness, their families and caregivers and those who are bereaved.
